Hey Guys

Here's the Human Health and Eco Assessments. I also threw in a deep dive that BEAD did that might help add some detail on how coumaphos is used outside of the APHIS program.

Thanks

Brian

Thanks for forwarding. Can you send the coumaphos human health and eco risk assessments?

Hey Guys

Here is the draft of the Coumaphos PID. Hope it helps with your OP. Keep in mind it's still a draft. I also attached someone pagers that seemed like they would be useful.

Thanks

Brian
